Helicopter Association International Board of Directors Seeks Special Advisor – UAS

Alexandria, Va. (May 12, 2021) – Are you a rotorcraft professional with experience in unmanned aircraft systems (UAS) who is interested in giving back to the community? The Board of Directors for Helicopter Association International (HAI) is seeking candidates to fill the role of special advisor adviser – UAS for the term of Jul. 1, 2021, to Jun. 30, 2022.

The person in this position will be responsible for informing and advising the HAI Board of Directors on all aspects of UAS aviation. This advisor will also serve as a resource to HAI Management and the HAI Board of Directors on fundamentals, developments, trends, and best practices for UAS operations.

This is a volunteer, nonvoting, advisor position. The anticipated time commitment is 15 to 20 hours per month. A detailed position description [is available here](#).

Individuals interested in serving as the UAS special adviser should submit the following information to president@rotor.org by May 24, 2021:

- A statement of interest
- A brief (no more than two pages) biographical sketch of the candidate, to include education, experience, registrations/certifications, industry affiliations or involvement, and any past participation in HAI activities, including positions/leadership.

###

HAI is the professional trade association for the international helicopter industry and represents more than 1,100 global companies and over 16,000 industry professionals in more than 65 countries. Each year, HAI members safely operate more than 3,700 helicopters and remotely piloted aircraft approximately 2.9 million hours. HAI is dedicated to the promotion of the helicopter as a safe, effective method of commerce and to the advancement of the international helicopter community.
