

## PRESS RELEASE

# A Huge Success for NHV Group's Aberdeen Family Day!

Aberdeen, 28<sup>th</sup> July 2025

NHV Group's Aberdeen base was thrilled to once again host its much-loved Family Day on Saturday 28<sup>th</sup> July, welcoming colleagues, clients, and their families for a fun-filled day at the heart of our operations.

After the success of previous years, the team pulled out all the stops to deliver another memorable experience. Under sunny skies, guests were invited behind the scenes to our Dyce base to explore our impressive facilities, meet the team, and get up close with the powerful Airbus H175 helicopter that are used for daily operations in the North Sea and a main gear box.

From bouncy castles to pilot meet-and-greets, the day offered a unique look at NHV's vital role in supporting offshore operations in the North Sea. Over 450 visitors attended and had the chance to hear firsthand from the NHV team of pilots, engineers, and office staff about their daily work and the teamwork it takes to keep our flights safe and efficient whilst enjoying a relaxed atmosphere filled with fun and games. During the event, the Trump C17 landed and took off also which the visitors enjoyed.

Charni Riches, Base Manager at NHV Aberdeen, said:

"Family Day is a highlight of our calendar – a chance to open our doors and show pride in what we do. It's incredibly rewarding to share our world with the families behind our people and the clients we work so closely with."

The event had something for everyone, with a bouncy castle, lawn games a delicious BBQ provided by Skoff Catering, Ice cream provided by Mrs Dowsons and a Coffee Van from Café 2 U. We were also joined by our trusted partners, Aberdeen Airport Fire Section, Police Scotland, Survitec.

### About NHV Group:

NHV Group is a leading provider of business-to-business helicopter services with a strong operational footprint across Europe and West Africa. The company operates from multiple strategic bases across both continents and employs over 400 highly skilled professionals.

NHV primarily serves the energy sector, with a strong focus on offshore operations in both oil & gas and renewable energy industries. The group also delivers a broad range of services, including Maritime and Harbour Pilot Transfers, as well as comprehensive Maintenance, Repair, and Overhaul (MRO) solutions. NHV's MRO capabilities extend beyond its own fleet to include third-party support for both civil and military operators.

In addition to its operational services, NHV established the NHV Training Academy, offering ATO pilot training, Helicopter Hoist Operations (HHOP) instruction, and certified Part-147 training in compliance with EASA and CAA regulations.

With a versatile, modern fleet of high-performance helicopters - including Airbus Helicopters H175, Airbus Helicopters H145, Leonardo Helicopters AW139 and Leonardo Helicopters AW169, NHV is committed to delivering safe, reliable, and innovative solutions to its clients.
