Cadorath Welcomes Jason Hays as Sales and Technical Support Manager, M250 and RR300 Programs

Broussard, LA – July 21, 2025 – Cadorath is pleased to announce the appointment of Jason Hays as Sales and Technical Support Manager, M250 and RR300 Programs. In this role, Hays will support customers and partners across the United States by providing expert guidance and tailored solutions for Rolls-Royce M250 and RR300 turbine engine programs through Cadorath's Engine Service Centers in Broussard, Louisiana and Winnipeg, Manitoba.

With a strong background in aerospace engine shop maintenance and technical field service, Hays brings valuable experience in engine support, aftermarket solutions, and customer relationship management. His addition reflects Cadorath's continued investment in experienced leadership as the company strengthens its capabilities in the light turbine engine market.

"Jason's technical expertise and clear understanding of customer needs make him an ideal fit for our team," said Danny Miller, Director of Business Development at Cadorath. "We're confident he will play a vital role in supporting our M250 and RR300 customers with the high level of service and support they've come to expect from Cadorath."

Jason Hays added, "It's an exciting time to join Cadorath. The company's reputation for quality and innovation in the rotorcraft engine market is second to none. I look forward to building strong relationships with our customers and helping them succeed."

Cadorath is an Authorized Maintenance, Repair & Overhaul Center (AMROC) for the M250 and RR300 engines. With strategically located facilities in Broussard, Louisiana and Winnipeg, Manitoba, Cadorath provides industry-leading turnaround times, quality, and customer care for engine operators worldwide.
