**RotorLink Technical Services Inc. Announces Leadership Transition**

**Langley, BC** – RotorLink Technical Services Inc. (“RotorLink”) is pleased to announce the successful transition of ownership from founder **Dave Bohonis** to **Jade Bohonis** and **Carly Terlon-Bohonis**, effective **November 1, 2025**.

After more than 21 years leading RotorLink, Dave Bohonis is officially passing the torch to the next generation. Carly and Jade have both grown up immersed in the rotorcraft industry and are dedicated to upholding RotorLink’s longstanding commitment to excellence. Together, they will continue to deliver the high standards of service and reliability that customers have come to expect from the company.

“It has been a wonderful journey, and I am sincerely grateful to our customers, suppliers, and team members who have supported RotorLink along the way,” said Dave Bohonis.

“Jade and Carly bring dedication, expertise, and passion for this industry that will continue to drive RotorLink forward. I have every confidence that the company’s future is in excellent hands.”

“We’re honored to continue the RotorLink legacy,” said Jade Bohonis and Carly Terlon-Bohonis in a joint statement. “Our focus remains on providing economical solutions and maintaining the relationships that have made RotorLink a respected name in the aviation community.”

**About RotorLink Technical Services Inc.**
